Congratulations to all competitors for a great Championship.

We had several matches that were decided on the 18th hole and the Men's Championship match ended with some great back nine playing. Well done everyone! I would also like to thank the membership for their showing of support. Whether it was from following our championship matches, or allowing them to play through during the 36 hole competition!

Thank you to all who participated and prize monies will be distributed into your credit book accounts.
